REWARDS POINTS ACCUMULATION

Rewards Point Balance. Rewards Point totals may be found on the Rewards Program website. These totals show your accumulated Points across all your Rewards Products. If earned or redeemed Rewards Points result in a fractional amount, then such fractional amount will be rounded to the nearest whole number. For example, if Rewards Points total 3.216, you will be awarded 3 Rewards Points.

Purchase Categories. Merchants who accept your Rewards Card are assigned to categories based on their business type (e.g. gas, grocery store). Different card readers used by the same merchant may be assigned to different categories. All transactions at a particular card reader are included in the category assigned to that card reader. We do not control which categories card readers are assigned. We use merchant categories to identify which transactions qualify as Purchases and which Purchases qualify to earn bonus or promotional Rewards Points. From time to time, transactions may be prevented from earning Rewards Points, and Purchases may be prevented from earning bonus or promotional Rewards Points, because the transaction occurs at a card reader that is assigned to a category that does not qualify to earn Rewards Points or bonus or promotional Rewards Points.

Promotional Offers: From time to time we may make promotional offers, including Bonus Rewards Points offers. These offers are subject to the terms of the offer and this Agreement. These offers may be available only for a limited time, may include a limit on the number of Rewards Points you may earn, and may contain other conditions and limitations. See the offer for details.

Your Private Bank Advisor will confirm the valid investable assets balance and request the Rewards Program upgrade from the date of your request. We reserve the right to change your account eligibility at any time. If you no longer meet the requirements for the Fifth Third Private Bank, we may work with you to determine an alternate product or modify the terms of your points accumulation and expiration.

Details about TRIO Credit Card Points Accumulation — Fifth Third Preferred Banking.

A membership in Preferred Banking at the time of account opening is required to (1) earn 2 Rewards Points for every \$1 spent on qualified gas, grocery store and drug store Purchases and 3 Rewards Points for every \$1 spent on qualified restaurant Purchases on all combined qualified Purchases per calendar quarter, and (2) earn Rewards Points that expire within 5 years or do not expire (See below for details regarding Loss of Points). We reserve the right to change your account type eligibility at any time. If you no longer meet the requirements for a membership in Preferred Banking, we may work with you to determine an alternate product or modify the terms of your points accumulation and expiration.

Authorized Users. Authorized users may earn Rewards Points on behalf of the primary account holder but may not redeem Rewards Points.

LOSS OF POINTS

Expiration. Rewards Points (including cash back) generally expire.

- Rewards Points generally expire within 3 years. However,
- Rewards Points earned on Business Rewards Cards, Fifth Third Preferred Credit Cards, and Visa Signature Cards, expire within 4 years;
- Fifth Third Private Bank Card, Fifth Third Simply Business, Fifth Third 1% Cash/Back, Fifth Third 1.67% Cash/Back, Fifth Third Preferred Cash/Back and Provide Card Rewards Points do not expire.
- TRIO Credit Card - Fifth Third Preferred Banking Rewards Points earned before 11/21/2019 expire within 5 years and points earned on or after 11/21/2019 do not expire.

Calculation of Expiration Period. Rewards Points expire on their expiration date. Rewards Point expiration is measured year over year based on the original date on which your rewards-eligible account was opened or enrolled in Rewards (Anniversary Date), whichever is later. All Rewards Points earned during a 12 calendar month period (starting with the month of the Anniversary Date) will expire within 3, 4 or 5 years (based on the product type) of the last day of the month of the Anniversary Date.

For example, if you open a credit card with a 3 year Rewards Point expiration on June 15, 2019, your enrollment Anniversary Date is June 1st. All Rewards Points earned from June 2019 to May 31, 2020 will have an expiration date of June 30, 2022. Because Rewards Point expiration occurs on the last day of the month of the Anniversary Date, only the Rewards Points earned in the actual month of enrollment or any anniversary thereof will enjoy the full 3, 4 or 5 years of expiration value.

Forfeiture. Product will be forfeited if your Rewards Product is closed for any reason, and you will not be able to redeem the Rewards Points. NY Residents will be given a 90 day grace period to redeem their accumulated points in accordance with the terms of this agreement following any modification, cancellation, closure, or termination of either this program, or their account, as required by NY law. This grace period does not apply if your account is closed/terminated for fraud or misuse.

Cancellation. We may cancel your enrollment in the Rewards Program, and terminate your ability to earn or redeem Rewards Points, if we suspect or know that you have committed fraud, are abusing the Rewards Program, or you violate this Agreement or any applicable Rewards Program terms and conditions. Violating this Agreement may include but is not limited to an attempt to sell, exchange or otherwise transfer Rewards Points or any instrument exchangeable under the Rewards Program to a third party or not using the Rewards Program as intended.

REDEMPTION

Conditions and Limitations. To redeem Rewards Points for Rewards, your Rewards Product must not be closed for any reason. You may not redeem Rewards Points associated with a Rewards Card that has been blocked. All Rewards are subject to availability. Specific restrictions and/or terms and conditions may accompany each Reward. Please see the Rewards Program website for details. Please review carefully the terms and conditions applicable to specific Rewards before redeeming. Reasonable efforts have been made to ensure that the information provided about the Rewards Program is accurate; however, we are not responsible for errors or omissions. Rewards Point redemptions are final and cannot be reversed once made.

Redemption Calculations. Rewards Points with the shortest time until expiration are redeemed first.

Business Rewards Products – Business Entity and Cardholders. Rewards Points can only be redeemed once. The business entity's Joint Account Holder, Primary cardholder and/or co-applicant can access and redeem all available Rewards Points earned on a Business Rewards, Provide Card or Fifth Third Simply Business Product.

Consumer Rewards Products Co-applicants. Each co-applicant generally may redeem all the available Rewards Points on a Rewards Product. Rewards Points can only be redeemed once.

Rewards Points Transfer. If you want to transfer Rewards Points to another Rewards Program member, contact our Rewards Service Center. Please note you may only make one transfer per month. Your and the recipient's accounts must be open, not blocked because either was reported as lost or stolen or 60 days or more past due to transfer Rewards Points. The Rewards Points with the shortest time remaining until expiration will be transferred first. Rewards Points transferred are subject to the receiving account's expiration rules. Rewards Point transfers are final and cannot be reversed once made.

CASH REDEMPTIONS

General Cash Redemption Rules. Cash redemptions are in the form of a check, an electronic deposit into a Fifth Third Bank savings or checking account, a payment made to the principal of an eligible Fifth Third Bank loan, or such other form as we may determine in our sole discretion. Cash redemption checks are not issued automatically; checks will be issued only upon request of the customer. Each check will be valid for ninety (90) days from its date of issue. If your Rewards account is closed before the check is created, then the cash reward will be forfeited (except if your card has been reported as lost or stolen, subject to verification). Cash redemption of Rewards Points redeemed through a business account is only available as a deposit to a business checking or business savings account, or as a statement credit to the Business Rewards credit account where applicable.

Statement Credit. Payment will be made 1 to 2 weeks after redemption if correct account information is provided. The Fifth Third consumer rewards credit card account must be open at least 48 hours prior to initiating redemption. The statement credit does not relieve you from your regularly scheduled payment obligations. Additional restrictions may apply.

Fifth Third Mortgage, Installment Loan, or Line of Credit Redemption. Rewards Points may be redeemed as a credit to certain Fifth Third mortgage, home equity, and installment loans. Payment will be made 1 to 2 weeks after redemption if correct account information is provided. The Fifth Third consumer rewards credit card account must be open at least 48 hours prior to initiating redemption. The statement credit does not relieve you from your regularly scheduled payment obligations. Additional restrictions may apply. See the Rewards Program website for the list of eligible products. Payment will be applied to the principal amount of your loan. To process the mortgage credit, your Fifth Third mortgage loan must have had a payment post in the current month and be current. If your account is delinquent, when the credit posts, the order of payment application will be in accordance with the terms of your loan. The credit will be reflected on your account 1 to 2 weeks after redemption if correct account information was provided at redemption. The Fifth Third loan account must be open prior to initiating redemption. The credit does not relieve you from your regularly scheduled loan payments. Rewards Points redeemed through a business account may not be redeemed for credits on a loan.

Fifth Third Bank Auto-Redemption. Sign up for automatic redemptions to your Fifth Third checking or savings account, statement credit to your Fifth Third credit card or to pay down the principal of your Fifth Third mortgage loan. Choose to have your total Rewards Points balance redeemed each month into the Fifth Third account you select. Please allow 14 days after redemption for the credit to appear on your account. You may turn this auto-redemption function on or off on the Rewards website. Statement credits are applied automatically as payments to credit card account balances regardless of whether the payment exceeds any outstanding balance and may cause credit balances more than the total balance due on your account. We handle credit account balances more than total balance due consistent with law. Please see your Cardholder Agreement for details on how we apply payments. You must have at least \$25 worth of points for Auto-Redemption to process. If you do not meet this threshold when Auto-Redemptions are processed each month, the Auto-Redemption will be attempted again the next month.

Statement credits do not relieve you from your regularly scheduled payment obligations. If an auto-redemption fails due to the account being redeemed into being closed, we may credit a different account.

Fifth Third Savings Account Redemption. Rewards Points may be redeemed as a deposit into a Fifth Third savings account. The Fifth Third savings account must be open at least 48 hours prior to initiating redemption. Funds will be available 1 to 2 weeks after redemption if correct account information is provided at redemption. Additional restrictions may apply. Rewards Points redeemed through a business account may not be redeemed as a deposit into a consumer savings or checking account, but only as a deposit into a business savings or business checking account.

Charitable Redemptions. Please consult with your tax advisor as to the eligibility of a tax deduction and any timing requirements surrounding the redemption of Rewards Points for charitable donations.

Stand Up To Cancer® (SU2C). You will receive a letter from Stand Up To Cancer noting the Rewards redemption. If you select the Stand Up To Cancer redemption option, you consent to providing the name and the mailing address of the primary account holder for the Rewards Product, along with the value of Rewards Points donated to SU2C so SU2C is able to provide you a letter noting the redemption. If you do not wish for your information to be shared, you must choose another redemption option. Please consult with your tax advisor as to the eligibility of a tax deduction and any timing requirements surrounding the redemption of Rewards Points for charitable donations.

OTHER REDEMPTION INFORMATION

Certificates are valid only at participating vendors through the expiration date printed on the Certificate and may not be combined with any other promotional offers from the Bank or participating suppliers. In the event the goods and services you purchase are less than the face value of Certificate, the policy of the supplier will determine whether you will receive credit or Certificate value for the difference. Additional restrictions may apply.

Airline Tickets and Ticket Fee. Rewards Points may be redeemed for travel on domestic or international airlines. The Rewards website displays the airlines in which you may book travel. Airline tickets are subject to availability at the time of booking. Tickets will be issued within 24 hours of booking and will be electronic. A \$15 per-ticket booking fee for air travel is included in the Rewards Points 'price'. If the Rewards Payment Slider is used to redeem

for airline tickets, then the associated travel fee(s) must be paid with a credit or debit card. Tickets may be purchased in any name designated by you. Tickets are non-refundable, non-exchangeable, and non-changeable after issuance, and lost, stolen or expired tickets cannot be replaced, unless refunds, exchanges, changes, or replacements are permitted by terms of the ticket, minus a \$35 booking cancellation or modification fee + any airline fees, if applicable. You are responsible for contacting the applicable airline for applicable lost ticket fees and/ or replacement costs. Fifth Third Bank, National Association and the Rewards Program are not responsible for performance or non-performance by any airline for any reason. All reservations and ticketing are subject to the conditions of carriage of the party providing the transportation, including exclusions and limitations of liability. Additional fees and restrictions may apply.

Delivery. Expedited shipping for merchandise may be available at an extra cost. If expedited shipping is available, the additional costs will be presented during the checkout process. Charges for non-standard or expedited shipping may be computed, assessed, collected and stated separately for sales tax purposes. We cannot deliver to a PO Box, APO Box or FPO Box. Most Rewards may be shipped to addresses in the 50 states plus Puerto Rico; however, additional shipping fees apply in Alaska, Hawaii and Puerto Rico. Certain items may have shipping restrictions outside of the 48 contiguous United States.

Returns. Rewards may not be returned or exchanged unless the Reward is damaged or defective when received. If a Reward is visibly damaged, if possible, please refuse delivery and call the Rewards Service Center. Return policy is as follows: Rewards must be in their original packaging (with the exception of Velvet Glove Service items) and with any included batteries, cables, remote controls, or other accompanying items. In no event will exchanges or returns be accepted more than 30 days after delivery.

Velvet Glove Service. Velvet Glove Service is available on select items. You will be contacted by the carrier to schedule the Velvet Glove Service delivery. The Velvet Glove crew will deliver your Reward to your shipping address, bring it into the premises, unpack it in the room of your choice (access permitting) and remove the packaging materials. They will not install or set up the Reward. Please be sure to inspect all delivered Rewards before signing that you accept the delivery. If you find an issue with your Reward, refuse delivery, ask the carrier to package, remove the Reward from the premises, and contact the Rewards Service Center. Once you accept delivery, no refunds, exchanges or replacements are allowed. Allow four (4) weeks for the delivery via Velvet Glove Service unless otherwise specified. A daytime phone number must be provided for orders that require Velvet Glove Service. Delivery appointments are available Monday through Friday, 9 am to 5 pm.
